

**Maria Espinola, Psy.D.**

*Chief Executive Officer  
Institute for Health Equity and Innovation*

Maria Espinola, Psy.D. is the CEO of the Institute for Health Equity and Innovation. She provides vision, leadership and strategic planning for the development and implementation of health equity initiatives in multifaceted organizations. She has a record of successful collaboration with leaders across universities, Fortune 100 companies, non-profit organizations, and the three branches of government.

Dr. Espinola has been a consultant for the CDC and has served on the Ohio Commission on Minority Health's Medical Expert Panel, the University of Cincinnati President's Diversity Council, and the Health Policy Institute of Ohio's Board of Directors. Dr. Espinola has received over 25 awards for leadership, health equity initiatives, innovation, and community impact.

Dr. Espinola has been featured by a wide range of media outlets, including the U.S. News and World Report, CNN, The New York Times, Reuters Health, and Forbes Health. She completed her doctorate in clinical psychology at Nova Southeastern University, her pre-doctoral fellowship in multicultural psychology at Boston University Medical Center, and her post-doctoral fellowship at Harvard Medical School.
